The Sussex County Association of REALTORS® Community Service Foundation

Sussex Strong's Annual Gala benefiting the unprivileged children of Sussex County

Dear Gala and Auction Supporter:

Over the years our Foundation has raised and donated over \$1,500,000. This money has been used to assist over 9,500 Sussex County children and families in need. We would not be able to do this without you, our local supporters. We are proud to watch and gather along with our community each year to generate funds which help bring a bit of help, happiness and joy for these children in need.

Through our combined efforts the Foundation has provided grants and financial support to local groups like the Food Bank of Delaware, Immanuel Shelter, Habitat for Humanity, the Home of the Brave and Big Brothers and Big Sisters and many more. While our well-known Christmas/Holiday program for children who would otherwise go without during the Holidays has been the primary focus for our Foundation, we continue to seek other opportunities to help and support our Sussex County communities throughout the year. In 2021 we impacted over 330 local children and with your help we hope to grow this number.

There are many ways to support and/or participate in this year's Gala. Please see attached document about the important work we do at Sussex Strong along with sponsorship, auction, donation and restaurant participation opportunities.

Help us Help Our Neighbors. We count on YOU to help us be Sussex Strong!

Thank you,

SCAOR Community Service Foundation's mission is to engage and connect SCAOR with local causes our members care about by promoting and encouraging safe, decent and affordable housing, providing immediate aid to individuals and families that are in need and supporting activities that foster, support and enrich our community.

We're Here to Help

charitable organizations that:

- support families and children
- promote and encourage safe, decent and affordable housing
- provide programs that promote financial literacy
- SCAOR members have recommended

It is with great Pride we report the SCAOR Community Service Foundation, since its inception in 1994 has historically impacted the following:

Donated:

- Over \$1,537,380 dollars to support over 9712 children living in need
- Annual average \$40,000 and 350 children

Provided:

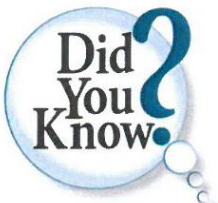

- Over 8 tons of food (16,968 pounds)
- Feeding 152 families with multiple meals annually

Volunteered:

- Over 89,500 hours valued at \$1.85 million dollars
- SCAOR members provide over 3,000 hours of service annually

Granted:

- Over 26 organizations – an average grant of \$650 (\$250 to \$5000)
- Annually \$3000 to 5 organizations

We still have much to do in Sussex County:

- There are over 9,000 homeless children
- Over 30,700 individuals live below poverty line or 22% of our community members
- At minimum wage you need to work 118 hours a week to afford a 2-bedroom apartment or make \$24.98 per hour
